

# Local Foundation Invests \$450,000 into Teulon Medical Facilities in 2024!

The Teulon Healthcare Foundation is a volunteer organization that is passionate about supporting and enhancing local healthcare services and facilities. The Foundation has been providing the citizens of Teulon and the surrounding RMs of Armstrong, Rockwood, St Andrews, St Laurent and Woodlands with the opportunity to support local healthcare services since 1993.

In 2024, the Foundation funded significant renovations to local healthcare facilities.

Improvements included:

- Adding 3 new rooms in the Teulon Medical Clinic: 1 new exam room and 2 new consultation rooms.
- Adding new diagnostic equipment.
- Fully renovating the Hunter Memorial Hospital's treatment and procedure room.
- Installing overhead rail lift systems into Goodwin Lodge, Hunter Memorial and the new treatment and procedure room.

**These improvements would not have happened without the generous support of our donors over the years!**

*"The Foundation's vision is to ensure local healthcare providers have the equipment and space they need to provide exceptional patient care!"*

The Teulon Healthcare Foundation has invested over **1.7 million dollars** into local healthcare facilities since 1993. The generosity of our donors makes a difference in local healthcare!

# Donations Stay Local & Make a Difference

## Speciality Equipment

The Foundation funded a Barrier-Free Exam Table for the new clinic exam room. This exam table provides patients with mobility challenges easier and more comfortable access. The Barrier-Free Exam Table also allows the physician to conduct a more comprehensive exam.

## Overhead Patient Lifts

The Foundation funded 12 overhead patient lifts throughout the facilities. These lifts are the safest and most effective way to move patients and residents that have mobility issues. The lifts also enhance patient comfort. In addition, ceiling lift systems reduce workload, strain, exertion and injuries to local healthcare staff leading to greater worker safety and satisfaction.

## DONATING IS EASY!

- Donations are placed into a capital fund and the income generated is used to support local healthcare projects now and in the future.
- You can donate online or by cheque and your contribution stays local.
- Tax receipts are issued for all donations.

For information on how you can help, please contact us....

## We Support Local Facilities:

- Teulon Hunter Memorial Hospital
- Goodwin Lodge
- Teulon Medical Clinic
- Teulon & District Handi-Van
- Teulon Community Health Office
- Teulon & District Seniors Resource

*Our Mission is to support and enhance healthcare services in Teulon & surrounding areas.*

# Building for the Future

## Medical Student Rural Week

Rural Week is an annual opportunity for first-year medical students from the University of Manitoba to visit rural Manitoba. Each May students experience a rural healthcare practice and country living.

The Teulon Healthcare Foundation and Teulon Medical Clinic are committed to exposing the students to both rural practice and rural lifestyle.

The Teulon Healthcare Foundation, along with many of our local partners are honoured to showcase our community to these students during their week-long stay!

This past May, the students' days were filled with clinic time during the day and adventures within the community in the evenings.

Activities included: visits to Overby's Buffalo Ranch, Interlake Colony, Teulon Golf Course, Last Dance Ranch and Norris Lake, rounded out with some great meals from local restaurants.

## Scholarships & Bursaries

The Foundation is involved in recruiting, maintaining and supporting our local medical staff. In addition, we are dedicated to helping develop our healthcare providers of the future through educational opportunities such as bursaries and scholarships.

## Take a moment and visit our Website:

[www.teulonfoundation.ca](http://www.teulonfoundation.ca)

Site features include:

- Information about the Foundation and how we invest in local healthcare.
- Online donor recognition wall, donor stories & memorials.
- Information on how you can help support our local healthcare through donations.
