

Foundation Community Report

Welcome to the Teulon Healthcare Foundation!

The Teulon Healthcare Foundation has been providing the citizens of Teulon, the RM's of Armstrong, Rockwood, St. Andrews, St. Laurent and Woodlands with an opportunity to support local healthcare services since 1993!

The Foundation is a volunteer organization that is focused on raising funds to offset shortfalls in local health district funding.

The Foundation pools financial gifts into a capital fund. The income generated in the fund is used to purchase and maintain medical equipment, assist in the recruitment of medical staff and beautify and maintain our facilities and grounds.

Community donations have a direct impact on enhancing local patient care!

Our Mission

To support and enhance healthcare services in Teulon and surrounding areas!

Achievements

Teulon Healthcare Foundation has invested over **1.4 million dollars** back into our local facilities since 1993!

Investing in Local Healthcare

Large Projects

We have been involved in large projects such as the expansion of the Teulon Medical Clinic, the development of the Goodwin Lodge Sunroom and Courtyard, and the purchase of a new Handivan.

Our Foundation invested over \$28,800 into local healthcare in 2022-23!

Blood Pressure and Vital Signs Monitors, Pressure Relief Mattresses, Oxygen Concentrator and more!

Speciality Equipment

The Foundation routinely provides funding for the purchase of medical equipment, speciality mattresses, power lifts, power stretchers and many other items that help our local medical facilities provide the best possible care.

Investing in Our Future

The Foundation is involved in recruiting, maintaining and supporting our local medical staff. In addition, we are dedicated to helping develop our healthcare providers of the future through educational opportunities such as bursaries and scholarships.

Celebrating Our Local Healthcare Hero's

Community Healthcare Celebration

The Teulon Healthcare Foundation recently hosted an evening in honor of our local healthcare workers.

The evening was an opportunity for the community to acknowledge the hardships and challenges our local healthcare workers have faced over the last few years. It also provided the opportunity for local residents to say thank you for everything they do!

Teulon Healthcare Foundation Online

The Teulon Healthcare Foundation has recently launched our own website!

Site features include:

- * Information about the Foundation and how we invest in local healthcare
- * Online donor recognition wall, donor stories and memorials
- * Information on how you can help support our local healthcare through donations
